REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

This has been an exciting year for Camden High School. In August of 2007, construction began at Camden High School as Phase I of the Kershaw County School District's facilities equalization plan. These new facilities will allow Camden High School to become the hub of the community as stakeholders take advantage of the many cultural and recreational opportunities available through the new buildings. At the end of this school year, construction of the new Performing Arts Center, Cafeteria, and Wellness Center will be nearing completion.

Academics remain the top priority at Camden High School. Technology within the classrooms stays on the cutting edge. The i-CAN initiative is in the fifth year of implementation. Next year, CHS will implement Vyew, a new program which creates a virtual chat room which will be available all day for students to logon to receive academic help from teachers. Teachers make sure to utilize technology during classroom instruction and to inform parents and students through e-Chalk by posting upcoming events, projects, and activities on the Web.

Camden High School is proud of the many outstanding students who are recognized for their academic accomplishments. Twelve students were named Palmetto Fellows. Sixteen students improved their SAT scores by at least 100 points. Twelve students were members of the SAT Silver Honor Court, eleven students were members of the Gold Honor Court, and seven students were members of the Platinum Honor Court. One CHS student was honored for having one of the highest SAT score improvements in the district. Another CHS student was honored for having the highest SAT score in the Kershaw County School District (she had a 1600 on Math and Critical Reading).
